ERRATA

The following are corrections to

SOIL SURVEY OF COPPER RIVER AREA, ALASKA
(Issued 1999)

Table 5, pages 211-213. The correct acreage for map unit 448 - *Klawasi-Wrangell complex, 0 to 2 percent slopes* is 10,927 acres. The correct acreage for map unit W (*Water*) is 12,627 acres.

Map sheets 1, 5, 9, 13, 14, 17, 18, 19, 24, and 25. The active channel of the Copper River is miss-labeled with symbol 448. The correct symbol is W.
